Attorney's Docket No.: 08291-695002 / 10700P1
US/CET/EAD

REMARKS

The foregoing Amendment contains changes to the specification and claims and provides a new Abstract.

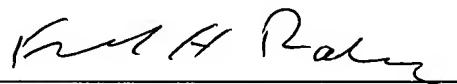

All the changes in the specification are identical to the changes proposed and entered during the prosecution of parent application No. 09/868,125. No new matter is being introduced.

The replacement sheet for Figure 1 of the drawings is identical to the replacement sheet filed in the parent application on 26 August 2003 and, as indicated in the Notice of Allowability in said application, was accepted.

The examiner is asked to take these amendments into consideration when examining this application.

Respectfully submitted,

Date: 9 Feb. 04
